

## **Wire, Conductive and Nail Industries Meet In Istanbul**

Tüyap Tüm Fuarçılık Yapım A.Ş. launched the Wire Tech Istanbul Fair which comprises all industry elements of the Wire, Conductive and Nail sector. The fair, which will be held for the first time this year, provides an opportunity to establish new partnerships for companies that would like to explore new markets and increase the volume of their exports.

The **Wire Tech Istanbul Fair**, which will be held at **Tüyap Fair Convention and Congress Center** between **17-20 April 2019**, will give manufacturing companies an opportunity to present their state-of-the-art products in the fields of Conductive Manufacturing, Conductive Manufacturing and Processing Machines, Wire Manufacturing and Processing Machines, Nail Manufacturing and Processing Machines, Conductive Cleaning, Molding, Sheathing, Forming and Conductive Fittings Manufacturing and Processing Machines, Welding and Electrode Wire Manufacturing Machines, Equipment Used for Conductive Processing Technology, Conductive Processing Sub-Industry Technologies, Equipment Used for Wire Processing Technology, Wire Processing Sub-Industry Technologies, Equipment Used for Nail Processing Technology, Nail Processing Sub-Industry Technologies, Raw Materials, Special Wires and Conductive, Measurement and Control Technologies, Quality Control Systems, Test Engineering, and Laboratory Test Equipment to the world.

The Turkish conductive industry is among the most important markets of the sector with its unique geographic location, its export and import volumes which are 400 thousand and 75 thousand tons, respectively, and its annual average export income of 2 billion dollars. Wire Tech Istanbul Fair, which will bring together the world's giants in the Automotive, Telecommunications, Construction, Chemical, Gas and Petroleum Industries in Istanbul, provides an opportunity to closely observe the innovations and developments in the sector.

### **One Date, One Venue, Two Exhibitions**

Between **17-20 April 2019**, the **Tube&Steel Istanbul** Tube, Profile, Wire, Steel Production and Specialty Fair which will be realized with the participation of the leading manufacturers of the Tube, Profile and Steel industries and the **Wire Tech Istanbul** Wire, Conductive, Nail Production and Technologies Specialty Fair which will be held on the same dates virtually showcase the entire sector to visitors with their scopes which are directly relevant to each other.

If you would also like to be a participant at this important gathering and meet with visitors from various countries around the world to establish beneficial and reliable commercial ties, please remember to contact our fair sales team at [info@wiretechistanbulfair.com](mailto:info@wiretechistanbulfair.com)
